“ *Brian,*

I was so sad to hear about your dad. He was definitely a father figure to me while I was at IU and I will never forget his kindness and gentle spirit.

I hope you and the rest of your family are doing okay during this really difficult time. I know exactly how you feel (I lost my dad last year). It feels strange to lose a parent at such a young age.

Thinking and praying for you!

“ Brian,

I am so sorry for your lose, You're Father was a wonderful man, with a generous loving heart. I worked with him at Indiana University Teter Quad. We had so much fun together, he called his old Red pick-up the red goose and always laughed about all the hair in the seats from Amy. He will be sadly missed by many.
