“ My thoughts and prayers are with the family this morning. John was like a second dad to me. I knew him all my life and grew up with his kids. My dad (Don Elliott) considered John a brother thuus Gayle and I never thought any different. I have so many wonderful memories of going to John and Karla's house. I loved it there! I love all of you very much. I wish I could be there with you today. Please take comfort in knowing your dad was very much loved and respected. I love you Karla! You will always be special to me - I love you
