“ Our families used to socialize together a lot when we were kids, then I moved way in the 70s. I ran into Jonathan many years ago (30?) and we ended up in deep conversation lasting several hours, about our lives to date, our hopes, dreams, and beliefs. It was like finding a long-lost relative. I never saw Jonathan again, but I never forgot that conversation. I looked for him a few years ago when I found some old home movies from the 60s, but I couldn't locate him. My deepest condolences to Jonathan's family.
