“ I have been praying for you since I heard the news of your loss. I thought of Jon often in the years that my husband and I cared for our own fragile son. I remember spending time at your house and feeling peace there, and because of your example, we tried to create that same sense in our home. Thank you for your example of love and faithfulness. God bless you in the days ahead.

“ Just wanted you all to know I been thinking about you and praying for your family. I just meet John about four months ago when I started working at Owen Valley Health Campus and he was such a wonderful sweet guy and missed by all of us. He was very well like by everyone. He use to sit outside my office door and talk to me anytime I was there in the office. He will be missed by many. My thoughts and prayers are with you all.

GOD BLESS,

“ We have such love and admiration for you and all of your family, but none more than for Jon. He always lit up the any room he entered. His ready smile and clever wit made being around him a joy. Although it's been several years since we've seen you, your family had a huge impact on ours.

Our love and sympathy on the hole Jon's passing has left in your lives and hearts.

“ To the Binford family, my heartfelt condolences on the passing of Jonathon. I only knew him as a customer at Target where he was so friendly and helpful and obviously enjoying his job. I've missed seeing him there. I plan to send a donation to Wounded Warriors in his name. Carole Heslin

“ Frank & Leah, Paul & Matt, and other close family-

My thoughts and prayers are with you, especially during this time. Jon lived life well--never a victim--always a survivor and victor. The way he did life is a great example and encouragement. And now, he is in the presence of God Himself--dancing with Jesus on streets of gold--with a good country band playing for them. Love and blessings to all of you.

“ Jon was given to a family who could love him and yet not smother him and you gave him just the right amount of both. GOD has a plan beyond our understanding and we wish you much peace and comfort in His Love. Looking forward to a "see you on the other side, Jon".
