“ I am so very sorry for the loss to Joni's family and the community that we shared. I have been deeply saddened by this loss and words seems so trivial and cannot begin to describe the feelings. Joni, you have been on my mind daily and I will continue to hold her memory in my heart. I've heard so much about her smile that last few days, and I agree, but I would give anything to hear her beautiful laugh one more time. She was an inspiration to many through the strong faith she carried in God. I will remember you always, Joni. Love, Linda R.

“ My heartfelt sympathy extends to not only Joni's family, but to the many lives she has touched. I was friends with her in high school and she was such a smart, driven, fun girl to be around. Her smile was contagious and she had a love for life. It saddens me to know that this past several years she had many struggles and pains. But now, those are over and she is an angel over all us rejoicing in the Lord. I was unable to attend her services due to illness, but please know that all of you have been in my thoughts and prayers. We all have many beautiful memories of her that we will treasure. With love,

“ To the Cain & Stipp families -
My heart is so heavy as we mourn the passing of this beautiful lady. Joni wasn't just a friend, she was my sister. No matter how many years have come and gone, she has always remained a part of me and always will. Your families ARE my family too and my entire childhood is filled with memories of all of you. Please know that you are all so special and the memories that we have will be with us for a lifetime!

“ I was deeply saddened to hear about the death of Joni. You have been in our thoughts and prayers. I have always had such fond childhood memories of Joni & your family. Joni pestering Chad & I while we were trying to play catch. Doing "little sister" things I now see my own daughter do to her older brother. Joni was a sweet, happy kid.

*May God bless you and the family during this time and always,
Kevin*

“ I am so sorry for you loss, it is just words but it comes from the heart. Joni will always be etched in my mind as the little tow headed girl that followed Chad around when you lived on Paul Street in Ellettsville.

“ My daughter Melanie Hodson McCabe was a good friend of Joni's during their high school years. Joni spent a lot of time at our house in Ellettsville. I remember when they all came in getting ready to go to prom...Joni, Melanie, Jamie, Joni, Amy.... I can't remember all of them. Having two daughters of my own I feel your pain of loss. Our family was blessed to have had Joni in our lives. She will be missed but we have memories that will keep us going. God will guide you through the times when times are going rough.... Let Him carry you when you can't go on... I pray that His peace will come to you and give you peace. May God richly bless you.... Paul and Judy Hodson Myers (Melanie and Michelle Hodson mom)
