“ I had the honor to know Joe at Westinghouse Electric in Bloomington, IN. He was the hardest worker I ever met. I never saw him without a smile on his face, or a greeting for everyone he saw. I often thought about him whenever I was attending a retired/former Westinghouse/ABB meeting.  
Goodbye Joe, I'm sure there is a special place in heaven for you.

There are no words to ease the pain that I can give- only thing is just hang onto the memories- I have a few of my own memories of your dad- from ballgames to sneaking in and out when we were teenagers-
