“ My Papa Joe is the only Grandfather my sister and I ever knew. Our Grandmother loved him dearly. I will never forget him helping me grow crystals for a science contest in fifth grade. Or "The Spider". Tickle feast! He would say, " Here comes the Spider, The Spider's gonna get you!" Then tickle us until we couldn't breath anymore! I have fond memories of my Papa Joe and my Grandmother. I remember them sleeping in our bed with my sister and I in sleeping bags on the floor in our own bedroom, asking, "Will you wake us up when Santa is on the roof? Try to sleep, they would say. Tomorrow is a big day. Grandma Moser always had her catache loaded with cosmetics. Este Lauder. I will never forget how they both smelled. He was a major influence in our lives. We are better for having been a part of his presence.
