“ I love you papaw. I miss you so much already. You were the greatest man in my life and always will be. Nothing can ever compare to you, and you will always still be the only guy in my life as I promised. Stay with us though papaw, watch the boys races and my last recital, graduation, and count my freckles until I fall asleep. I know you wouldnt miss it for the world. Life's not the same with out you, it never will be. Hardest thing was losing you. I love you so much papaw. Love, your one and only favorite grand daughter
