

Judithe Anne Cobb

October 5, 1942 - May 2, 2026

Judithe Anne Cobb (Goen), 83, of Solsberry, left us Saturday morning, May 2, 2026.

Judy was born in Bedford, IN to Gene and Mary Frances Goen. Judy spent the first 6 years of her life on her Grandfather's farm near Judah, IN. Judy loved life on the farm, and developed her strong love for animals there. Judy later moved to Bedford and went to Bedford High School, graduating in 1960. Judy went to college at Indiana University, majoring in German. There, Judy met her future husband, Gary Cobb, and they were married at the Bedford First Baptist Church in 1962. Judy and Gary moved to the Bloomington area, and had a son, Garet Cobb, born in 1964. Judy was a stay at home mom for years, and then went to work for Indiana University as a secretary for IU Off Campus Housing, then as a dispatcher for the IU Physical Plant. Judy retired in 2005 to enjoy her life on the "farm", in Greene County.

Judy was a kind hearted person who had a deep love for animals and people. Judy owned horses and competed in Dressage for several years. Judy was a faithful church goer, and made many friends there. Judy had a sweet, loving nature that endeared her to all who knew her. She was a good wife, mother, and friend. Judy had concern for those less fortunate, and regularly donated to several charities. Judy's life was a "life well lived".

Judy was preceded in death by her parents, Gene and Mary Frances Goen, a sister, Annetta Rose Landefeld, and a brother, Kenny Goen.

There will not be a funeral, but rather, a private family celebration of Judy's life.

“ *I have fond memories of Judy. We worked together at IU Physical Plant and attended church together. She was a wonderful person who cared about others.*
