“ I was with some friends for breakfast when one of them let me read the Herald Times which they had picked up before coming in. I was really saddened to hear that my former Spanish Teacher from the early to middle 1980's had passed away. I had her for two years. She was a very neat & special lady whom will be missed by you most of all you her family & those who knew her in other areas of her life with us that God gave. Prayers are with you all.

“ Bob, I'd like to express my sympathy to you and your family. I met Judy when I first came to Bloomington in 1982. I subbed for her and other members of the Spanish department at South. She even took me along on a trip to Spain in 1984. It was my first trip to Europe, and I'll never forget it! Judy was so helpful and fun on that trip. Her guidance built up my confidence in a way you cannot imagine. When I was at Batchelor, I thought of Judy quite a bit as I passed your house each day. I'm at Jackson Creek now, but I will continue to think of her when I pass that way.

“ Dear Morrow Family:

Mrs. Morrow was one of the BEST at BHSS! Not only a great teacher, but very caring. I owe the fact that I continued to pursue language after high school to her encouragement. Remembering you in my prayers...

“ Dear Morrow family,
I am so sorry for your loss. Mrs. Morrow was my Spanish teacher at BHSS. I just loved her class, I remember helping Mrs. Morrow grade papers. She was always so kind to her students and she made learning Spanish exciting and fun. She would come into class every day and say with a big smile on her face, *Hola Clase!* She will always have a special place in my heart, one of the best teachers EVER!!!! I will miss her so much. Best wishes to the family. May God Bless you all.
