“ *My name is Esther Oliphant McClung. Judy and I were in the First grade attending Hunter School together. We later had some classes @Bloomington High School. I remember our desk were side by side in typing class. Mother had me a seventh birthday party. I ask Judy to attend. Later, when her mother passed away, we girls who ran together attended. I cried. We same girls took a trip to Indy. to the Ernest Tubb's Record Shop. Later, my mother in law worked with Melissa Myers. They were very good friends @ RCA. I also cried @ Judy's death. I loved Judy Barrick Pedro. I not only lost a classmate but a dear friend.*

*God Bless all,
Esther Oliphant McClung*

“ Sending my love to the Pedro family. I'm deeply sorry for your great loss. Judy was such an inspiration! She was a mentor, friend, teacher and mother figure to me. Always told me "how it was" but in her loving and darling own way. The world needs more woman like her:) I'm blessed and thank god that I had the honor to have known her, and Neil...such charm. I'll always keep her alive in my heart. Always remember the love she gave and the smile upon her face. May god bless you all and keep you well during this sad loss on earth. She's singing with the angels choir now. Much love to all.

“ Neil, please know I am so sorry to hear of your great loss. Judy was a special lady and I will forever remember her first words to me as I became the house Manager at Canal St. She warned me to stay away from the office; I didn't listen. Now I'm one of "THEM."

We will be sure to pray for you and your family during this time.
