“ To the family of Karen.
My heartfelt sympathy comes with this note. Over the years I have heard wonderful, loving stories about Karen from my daughter, Margie Clark, who worked with Karen from the time she started working in Philosophy. Margaret dearly loved her and will sorely miss her. I pray that loving memories and God's love will comfort all of you during this time of sorrow.

“ *To The Loffland Family,*

Although we know that no words can ease the loss you feel, just know that your family is in our thoughts and prayers. As your neighbor for many years, we enjoyed the joy of watching our kids grow up together, chats about how to lose those ornery fat cells, and of course, enjoyed the joys of the holiday at your Christmas parties. Our neighbors on Bradshire are an extension of our family. We loved Karen and we will truly miss her. May you be comforted by the outpouring of love surrounding your entire family.

*May God Bless and Keep You,
Your Neighbors,
Louis & Connie Robinson*

“ *Dear Phil, Cindy, and Bryan,*

Karen was so much to so many of us; my husband, Fred, and I feel the loss acutely. We are so sad that she didn't get to enjoy a retirement, and she of all people, who so deserved the best! If we are so sad, we can hardly imagine how difficult the loss must be for her family. She was a truly remarkable person, witty, fun, smart, a great conversationalist, as well as an incredibly conscientious worker. Our heartfelt condolences to you. If it is any consolation, I want you to know how very loved she was by so many people, and how many lives she brightened. Hers is a light that will not go out; we will all remember her lovingly, and cherish our good memories of visits with her in her office.

“ I would like to offer my deepest sympathies to you. I am so sorry for your loss. Please know that you are never alone. Turn to the Holy Scriptures for guidance and to help soothe your heart. Psalms 34:18 assures us that God is near to those broken at heart and crushed in spirit. Please accept my deepest sympathies.
