

Kassandra Ann Metcalf

March 20, 1989 - March 25, 2019

Kassandra Ann Metcalf passed away peacefully at her mother's home in Bloomington, Indiana on Monday March 25 at 10:30 am. Ms. Metcalf and her twin sister, Danielle, were born just after midnight on March 20, 1989 in Columbus, Ohio. Ms. Metcalf was a 2007 graduate of Bloomington South High School, a 2013 graduate of Purdue University, and received her MBA from the University of West Georgia in 2016. Kassandra and her "fur baby," Josie, most recently lived in Austin, Texas, where she worked as an IT Project Manager for General Motors. She is survived by her sisters, Danielle (James) Prendergast and Jenna Parsons, her niece, Palmer Prendergast, her mother, Allyson (Tony) Fox, father, Kim (Diane) Metcalf, her stepfather, Patrick Parsons, her grandparents, Beverly Hoffer, Galen Fox and Shirley Brooks, step siblings, Jared and Bryant Fox, Christin Eubank, and Matthew Duhé, and a large extended family. She was preceded in death by her paternal grandparents, Kenneth and Corinne Metcalf and step grandfather, Kenneth Ford, and her maternal grandfather, Chester Clampitt and step grandfather, Andy Hoffer.

The bright, determined, strong young woman bravely fought cancer for nearly five years at MD Anderson Cancer Center in Houston, including multiple clinical trials and her contribution as "Patient Number 1" in the most recent of these. Throughout her life, Kassandra's courage, determined attitude, sense of humor, and concern for others established her as an inspiration not only for

her family, friends and colleagues, but for others on a similar journey. We cherish her amazing spirit and the memories she created for and with us.

Allen Funeral Home and Crematory, 4155 S. “ *Our sweet Kassandra was a cherished gift. She came into our life when she was only 10 years old. Throughout that time we have been blessed by her kindness, and her gift of love. She will be so deeply missed, but she gave us all a treasured gift. That gift was her love for family, and friends. Our memories we will treasure forever, and look forward to seeing her again soon. May God be with her family and know we are all praying for you. Kathy and Al Legan.*

“ I never had the opportunity to meet Kassi Metcalf, but over the years, I have gotten to know her through the loving eyes of her dad, Kim. Stories about her valiant spirit of resiliency, innate sense of grit, endless humor and determination to squeeze every last bit of joy out of her short time on earth, filled us all with hope. Kassi was fiercely loved and will be unbelievably missed, but her legacy of intelligence, grace and bravery lives on forever.

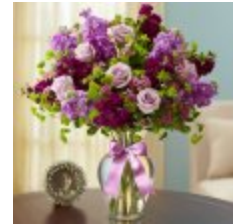

Sending the Metcalf family all of the love my heart can hold.

To Kassi's beloved family & friends...

Was honored that a FB post I placed on March 28th was read at Kassi's Celebration of Life service as the words were not my own but what came from answered prayer when I asked God to give me words that bring comfort & hope to the tremendous loss we were all felt in our hearts the last week of March. Here is what God wrote through me that day..."The faith in God that my friend Kassi showed over the past 15 months has been one my most precious life lessons - in the face of darkness & weakness, she believed that God was holy, faithful, and her words from March 5th text "I do still believe it's a part of God's plan. All for His good." Will miss you more than words can express...praying Matthew 5:4 over family & friends. May we push past the tears to celebrate her remarkable time with us here this side of heaven."

Miss my friend Kassi, so much. May God's grace bless all who knew & loved both her and her beloved family. Her freedom is complete - until we see each other again one day...walking on gold.

*God Bless,
