“ *Willis and Family;*

I just saw on-line where Kathy passed away. I am so sorry for your loss. I don't take a paper since I am selling my home and moving in with my daughter over at Spencer.

I really hate it that I didn't know it in time to come to the funeral. I just have been to the funeral homes much since Mother passed away. I pray that The Lord wraps his arms around you and comforts you during the days ahead.
