“ I remember Kathy as being a great advocate for the students she worked with. However, she would also be a strict disciplinarian when they wouldn't do what she wanted them to do. We had some big shoes to fill when she left Jacobs High School and we will always miss her huge smile and that cute southern accent. Please know that I will keep your family in my prayers.

“ Kathy was an amazing person to work with and a welcome addition to my high school English classroom. She had so much spunk and "fire." All of our students respected her and could tell she really cared about them. I'll never forget how so much passion was in such a tiny, beautiful person.

“ I am so sorry to learn of Kathy's passing. We were in Missouri at the time and were unable to make the viewing or funeral.

I have many memories of our childhood together. My condolences to all the family, but especially Gary, Scott and Lorene. Gary, thanks for standing beside her and taking such good care. Lorene, it is time to take of yourself now. You have done an excellent job taking care of Harry and Kathy.

Love to all.

“ So saddened to hear of Kathy's passing, we all loved her dearly. I know Uncle Harry was standing up there waiting for her with that goofy grin of his, and some silly comment. All of you will be in our thoughts and prayers. We love you all very much.
