“ Kathy has always been like a second mother to me and Jeremy. There are no words to describe her. She was an angel here and now has her wings elsewhere. She was so kind-hearted and loving. The most down to earth person I've ever met. Spent her whole life caring and doing for others. Kathy loved the outdoors, fishing, but especially her dear pets. I remember when her and dad would ride motorcycles together. Kathy was always a big part of my life and will always have a place in my heart. Prayers and thoughts for the family and friends as she is laid to rest today. We will miss you Kathy but you will NEVER be forgotten. I will hold your last words close to my heart when I told you I loved you Thursday, you said "I love you too. Always have."

“ Prayers to Kathy's family. I know she was a very special person. I know her love for all things Wizard of Oz. I remember way back in 1987 her showing me her collection which I am sure continued to grow and grow. Samantha and Chase will miss their Aunt Kathy very much. Prayers and much love to all of her family,
