“ I came to Beauty for Ashes when I was 7 months pregnant. That's when I met Katie. She helped me through a difficult time and a very complicated pregnancy. She was there when my son was born and oh did she love my little boy. We called her aunt Katie. She was always there to help when I needed rest and there when I need advice both physically and spiritually. When she was down I would always be there to pick her back up. Her struggle was rough but she never gave up hope and she fought hard through it. She is the greatest friend anyone can ask for. She was the sweetest women and had a heart for kids, helping others, and serving the lord. Her smile was contagious and everyone who met her had was positively blessed. I will never forget you Katie. You have changed my life in ways I didn't think possible. I will miss you immensely. I love you so much and I cannot wait till the day I see you again in heaven. R.I.P. Katie bug!!!

It was evident Jesus was first in her life and she shared this with the kids through prayers and songs. She was always thinking of me and others and ways to make us feel special. “ *Katie was one of my favorite RCs at Selah. She was always so quick to make sure all of us clients felt heard and cared for. One time in particular she sat with me in the art room when no one else wanted to be in there. We doodled and told our testimonies. It was beautiful to hear the incredible way God had redeemed her life. I am glad to have spent that time alone with her.*
