“ *I am so sorry to hear of the death of Kelli. The passing away of a loved one is always with much sorrow. May we have faith and confidence in the Bible's promise of a time when pain, sickness and death are a worry of the past (Revelation 21:3, 4). My condolences are with the family at this difficult time.*

“ My family and I would like to express our deepest sympathy over the loss of Kelli.
May you find comfort in your loving memories and the warmth of family and friends. A scripture that has uplifted me during times such as this is found at Revelation 21:4. There it describes a time when death and pain will be gone forever after God restores his original purpose for the earth. We will even see our loved ones again who we have lost in death (John 5:28 & 29). It is our hope that these words bring you a measure of comfort during this difficult time as well. Once again, please accept our condolences as you deal with your loss.
