“ Marilyn, Andy, Cathy, Nancy, and Steve I am so sorry for your loss. I wanted to let you know my thoughts and prayers are with your family during this very difficult time. It is so hard to give up our loved ones know matter what the circumstances, we are never ready to let them go. I wanted to come and pay my respects but I felt it wasn't a good idea to come around everyone with this cold, aching, and chills that I have. I would love to have gotten to see the family, but didn't want to expose everyone to my germs. I will be praying for your family today as I know how hard it is to get through this day.
With Love, Marlene and Roger

“ Dear Marilyn, Nancy and Andy,

Please accept my condolences for the loss of your husband, father and my uncle Kenny.

I wish I could have returned to attend the viewing and services but due to prior obligations it was just not an option.

I have made a donation in Kenny's honor to the Alzheimer's Association because I feel it is so important for them to discover why this disease happens and what can be done to prevent it in others.

“ *I'm so sorry to hear of Kenny's passing. He worked with my father at I.U. and he came to my house several times after his retirement to do electrical work for me. He always had a smile and a good story to tell. He was a good man. God Bless him and his family.*
