“ I Remember when the whole Grissom gang moved into Garden Acres addition. I was a kid living on Ooley Drive just a few houses away. I was so excited to have new kids to play with. I got to meet the whole family. I've never seen SO many boy's look alike! Of course I became fast friends with Rodney, Scott and Greg. I was so sad when they moved. I went through school with my guys. And we are still friends today. Ken was a sweetheart. I'm so sorry for your loss. I only knew him for those years back in the day. You're all in my prayers. And your family too. I wish I could be there for on Monday. Love you all.

“ *Michelle,*

I'm sorry to learn of your father's passing. I remember meeting him when you and I were kids. I remember being impressed by how much he loved you. His absence leaves a hole. I'm thinking of you and your family as you gather soon to mourn and remember together. I pray that you'll be comforted and strengthened by one another and find reassurance that you have a living Father in heaven, always with you, who goes on loving you more profoundly than any of us can know.

*Sincerely,
Kelly Beth (Cross) Bowie*
