“ Well to the Donna and Steve i liked every one in your the family
But Let to you a story about Kenny
And my weekend stay in the cabin
Mr Hall and Mrs Hall left the us 3 boys.
Alone in the hills and hollers of Bloomington in
Well some how we were talking about something and kenny went in
the house
and came back with a 12 gage shotgun
No. Mr Hall had a stripped down car
And Kenny raise that shotgun and put a 3 inch hole in the door man
i was scared
From that time until we got home i knew that we would gotten

able to sit til today Rip Kenny and thanks for the memories Donna

“ Kenny was a quiet force at Hillel when I was there in the early 90s
and was a terrific guy to be around. He made Hillel run! He will be
