“ *We are sad to learn of my uncle's death and know how sad you must be. Please know that you have our deepest sympathy and our prayers are with you as you say good-bye.*

I was so close in age to both he and Aunt Joyce that I feel like we were all kids growing up together, even though I didn't spend much time with him. Boys don't want some little scrawny girl tagging after them! Cathy and I wrote back and forth some when she was very sick near the end of her life and Kenny was taking good care of her, even though she thought he was pretty tired of doing so much all the time. Visiting with Uncle Kenny a few years back when we got back to Indiana was fun. Old times, old stories.

Love and prayers from both of us. Peggy (Moore) and Frank Coahran
