“ *Condolences to each Family member. Kevin, as a co-worker, knew his job responsibilities extremely well. If you had a question related to materials and the Supply Chain, you could count on him to get you the most current information available.*

We shared our working career stories to help each have a pleasant day. Keeping each in line-never forgetting where we came from and how we made it to where we were.

*So sorry,
Marty Mathews (2nd Shift Mgr @ P48 before my retirement)*

“ I was so distraught when I heard about Kevin's passing. I will miss his light hearted humor during our business meetings and phone calls. I will always remember his smile that would light up the room when he spoke about his grandkids. He was a great man and I will always cherish the time that I knew him. He will be greatly missed and I know that he will be shooting arrows up in Heaven

“ *I fondly remember many great stories around the campfire from Kevin when I was invited along for family camping trips. He always made me renounce Purdue, my dad's alma mater, for IU before being allowed in the house for sleep overs. And he often also said I had to love the Beach Boys, which I didn't appreciate at the time, but definitely do now. Thank you, Kevin.*

“ *My heart goes out to Kevin's family. I worked with him for many years, talked sports and played softball together on occasion. Kevin took his responsibility seriously and tried to do what was best for the company.*
