“ *I'am sorry for your loss. Kevin was a speacial man. Gentle Giant, Big Teddy Bear. Was always there for you. Cook has gone dimmer without Kevins smile to brighten it up. Cook has gone silent without the sound of Kevins laughter in the halls. I feel lost without my Big Kevin to brighten my day.*

“ Please know that you are all in my thoughts and prayers. I can't even imagine how difficult this is for you.

Kevin was a very likeable guy and I have so many funny stories and memories about him.

I wish there was something I could say or do to take away your pain, but words are just not enough. I do know the "peace speaker", as do you, who can help you through this storm.

Keep holding on to Christ.

*Love & Prayers,
Susan*
