“ I knew Kim and Keith very well, and they have been two of the greatest people I will ever have known. Kim was a woman who had a big heart and had always shown it, and I will miss her terribly. My condolences to her family, and my heart goes out to Keith because I know she was his world. If ever there is anything I can do for you Keith, please do not hesitate to ask.

“ To Keith and the Dees family:

Please except my sincere condolences on your tragic loss.

I knew Kimmy only through work, but can say that every time I spoke with her or worked with her on anything she was very kind and thoughtful. She was always a pleasure to be around.

Since leaving Big Red, she has been missed and now she will be even more greatly missed by all.

Keith, if I can help in any way, please let me know.

God be with you and yours.
