“ Miss my mother everyday. She had the brightest smile in every room she walked into, and had the loudest laugh you could possibly ever hear. I never realized how many people actually knew my mom, and even by the slightest interaction or greet, people were touched. She was the most beautiful mother you could ever see and know. Her heart was so big, her eyes were so welcoming, and her voice was sweet like honey. It gets harder and harder to remember especially since i was so young, but she will be carried through me, my two sisters Tiffany and Elizabeth, and my older brother Vince. May god be with my mother for all eternity. I love you momma and miss you and will cherish you everyday

“ I am so very sorry your loss. I'm even more sorry I was never able to meet her. It feels so weird to have a sister who passed and never had the chance to even meet her. She was beautiful and I can see a resemblance. God bless and prayers to all. Xoxo

“ I am so sorry to hear about your loss. Tisha was a good friend of my family and especially my daughter, Amanda. They always had lots of fun together and Tisha visited our home quite often when she was younger. I had seen her a couple of times this past year and she was so proud of her children and talked about them a lot. Her family will be in my thoughts and prayers and may she rest in peace.

“ Gail, David, Sam and David I'm so sorry for your loss. Tish was a beautiful person that I didn't get to know well in our adult life. Everytime I saw her it was like 30 some yrs. ago when we were kids, big hugs and that happy smile always happy and beautiful. Thats how I remember her and always will.

“ *David, Gayle, Samantha & David, I am so sorry to hear about Tisha. She was such a wonderful friend all through our child hood and even till today. I am so grateful to be able to call her my friend. She would always call me hwr angel friend when she would introduce me to someone Tisha always said Lori is my good true friend. The last time I seen her was a couple months ago and she was working and i had came in to eat with m kids and husband. Tisha just had that beautiful smile and told her fellow workers " omg this is Lori one of my best friends I love this women" Then she came and set down with us while we ate and we caught up on a lot it was great. Tisha went on to my kids how good of a friend I was and how much she loved me, but the thing is Tisha was my true friend and I loved her so much. I am so thankful to have a friend like her and I will always remember our last words to each other " I love you" She was wild but wonderful. She was like George Straight. Song she's gonna leave you with a smile..XOXO I love you Tisha*
