“ *Nancy, I am sorry for you loss, Larry was such a funny guy. I remember one of the first ski trips I took with the club- Larry's humor and antics certainly made the bus ride wiz by. The pig roast, Brinson's parties, cookies at tax time are just a few of the memories. I hope your fond memories sustain you at this difficult time.*

*“ I worked with Larry at the Bloomington Post Office for many years, remembering him as a clerk, floor manager and Postmaster. He was always a good person to work with and be around in either of those roles. As Postmaster, he did a big favor for me and my family, after my “mid career gap years,” in going to great lengths to get me back on the the career roles during a hiring freeze. He didn’t have to, just did ... the kind of person he was. Many thanks then and now in my retirement and sympathies to his family.*

*“ Larry and I worked together on several Business Expos at the Convention Center. We were a great pair to welcome people and answer any questions they might have had. He was working at the Chamber at that time, I was working at the Convention Center. What a wonderful guy.

“ I will always remember Larry and his sense of humor, zest for life, and devotion to his family and friends. His hog roasts were the stuff of legends and he was an integral part of the Alpine Ski Club's early days.

“ Larry was the best friend anyone could wish for. Everyone we know respected Larry’s honesty, integrity and work ethic. He and Bud shared a special bond of friendship and mutual respect. Bud always relished his and Larry’s annual road trips to Arizona. He and Nancy feel like family, and Larry’s death is a deep loss to us, as it is to so many people.

We have so many memories of good times with Larry. Skip and he became friends in high school and kept that friendship all these years. Larry’s humor, generosity and varied skills made him our “go-to” guy for every need. We cherish the memories of our many outings with Larry and Nancy. He will be missed. God speed, old friend!

I always enjoyed visiting with Larry at the National Conventions of NAPUS. Larry was one of a kind, and willing to lend a hand to anyone who needed help. He will be missed by his Postmaster family.

Nancy,  
We are so sorry for your loss. This is a shock. We were looking for an obituary for a close friend of Kay's, Lee Ann Murphy, then saw the obituary for Larry.  
Larry was my best friend. I could always count on him to talk to. Larry's words were so comforting when my father passed away. I have known Larry since we were 5 years old when we became neighbors. Oh, the many memories - Cub Scouts, Boy Scouts, paper routes, baseball, coaching baseball, best man at each other's weddings, and many, many more. I was so hoping to see you guys at the 55th class reunion. We will miss Larry so much.
