“ The world lost an amazing person. "LB" will never be forgotten, because great people never are. He was truly one of a kind. Not only one of the best bartenders to ever work the bar, but a wonderful person and a friend to anyone he met. You will be missed ol' friend.

“ To the Bastin Family, I know you have been through a lot these past several months. Larry always told me that the angel at our pool was watching him. Now he has his very own choir of angels watching over him until you all can be together again. Mark and I love you all. Sandi and Mark Taylor

“ Dear Sharon, Tressie and Jeremiah, We are so sorry to hear of Larry's passing. He was a wonderful man and always had a smile on his face. We will always remember our junior bowling days when our kids bowled together and the fun times we had. We think of you often and are praying that God be with all of you during this difficult time. God Bless you all.
