“ I'm reminded of the summer of 1980. I spent the summer with all of you not realizing that that would be the summer my life would change. I went to church camp for a week and accepted Jesus Christ as my savior. After camp was over I stayed with you the rest of the summer. I learned so much from Uncle Larry that summer and we had a lot of fun. One thing I remember was how he would sing "Noah Found Grace In The Eyes Of The Lord" by the Statler Brothers. I especially remember how one night you all got down on your knees to pray and I thought to myself how I so wanted a family like yours. God used him to show me how much God loved me. What a wonderful example he was to me of a husband and father. I will always be grateful of the example he set and how he helped shape my life as a new Christian. I love you all. Thank you for sharing your Dad with me.

*I am reminded of spending almost 2 weeks with Larry in Ecuador on a mission trip. He and his family later moved to Bloomington where I move my family also, went to the same church and served together on the board. I found Larry to be a fine Christian man , who loved God, church, and family. My wife, Janice, and I will be holding the family in prayer for them to get through this difficult time in their lives.
Loving I remain,
Jim Arthur*
