“ *Very sad to learn of Larry's passing. He was one of a kind and a very interesting person to talk with. We enjoyed his company and getting together to play one of his favorite board games- naturally he won most of the time. We will always think of him with fond memories.*

“ Mike, I have heard Larry speak of you many times..his other brothers also...but mostly you, Larry and I have been friends for years, my cousin Dennis Hale and he were friends first and then I was introduced to him....Larry was a good friend, loyal to a fault, wonderful writer, loved traveling and was such fun.. Anyone in my family or group of friends who met himalways fell for him. When I was in Bloomington I cut his hair for years and he became friends with everyone who worked for me.....I was shocked to hear of his passing. He will be missed and thought of for years to come.....My sincere sympathy Reece Johnston

“ *Martha and I were extremely sad to here of Larry's passing. Larry and I were just close friends in high school. I always regreted that we didn't stay closer after graduation.*

Larry was so good a friend to me in high school. Always a loyal friend and such a good person. I did not know he was ill. I was so hoping he would be at our 50th BHS reunion this past month.

If there is some kind of service for Larry, please let me know. Martha and I would like to pay our final respects.

We pray for all the Hood family at this time of loss.
