“ *Steve and Suzanne, you were blessed to have such an extraordinary mother. One of the things I most looked forward to when visiting Unionville Church of Christ was the strong, sincere hug she would give me. Her hugs loudly proclaimed that she loved me without a single spoken word.*

She had a great capacity to love. Love for her father in Heaven, her savior, family, church family and friends. I will always love her most for the way she loved my mom. They were two truly special ladies. Thanks to God's promises and his faithfulness in keeping them, I get to see them again. And when I do, those will be the sweetest hugs of all!

*Thinking of you.
