“ *I graduated high school with Leah, first met her in hr high. My memory of her was mostly that of being in the hospital in 1979, in labor with my son. She was my nurse and at the time, we didn't really talk, because I was busy giving birth to a 9lb, 2 oz son. She always had comforting smile, and never forgot that. We'd been FB friends for yrs. So sorry to hear of her passing. Prayers and thoughts to her family. ❤️*
