“ *LeAnn & I were Kappa Kappa Gamma pledge sisters at Butler. I loved her fun spirit and kind ways. We had lots of laughter and friendship in our college years. We briefly reconnected while living in the Fort Wayne area. It was with heavy heart and sadness that I saw LeAnn's name in The Key magazine, in memoriam. Please accept my deepest sympathy, thoughts and prayers. She was a wonderful person and I'm so sorry that we lost touch with one another. She will be missed and always remembered.*
Sincerely,

“ *Although I did not know you dear loved one, I saw the obituary online and wanted to send you my condolences. This is a very difficult time for your family. Something that has always given me comfort is a scripture at Revelation 21:4. It says: "and he will wipe out every tear from their eyes, and death will be no mor, neither will mourning, nor outcry nor pain be anymore. The former things have passed away. " I sincerely hope this brings you comfort*

“ I just heard of LeAnns passing and am so sorry for you all. I was a friend of LeAnns from Northridge High School and we were on the pom squad together. I've been searching for her off and on over the years. I lost track of her shortly after she left Butler. It is so sad to find her and lose her on the same day. My thoughts are with you and yours.

“ Dear Zinman family, I am so sad to hear of LeAnn's passing. Heaven is brighter this week. She and I ran into each other unexpectedly as we both endured an intense round of radiation therapy. She offered me great words of kindness and encouragement. Abby, I will especially think of you this week. You will always be such a reflection of her shining personality.

“ LeAnn will be missed. She provided such a bright, sincere and inviting smile to our community from meeting her through our children Erica and Kayleigh in early elementary school through High School.

She was gracious and giving of her time towards the North Band Community and always showed such genuine interest in the individual lives of my family. Her gentle and loving spirit will continue to touch us for a long time. We are so sorry for your loss. The DeBruyne Family Mike, Marjorie, Nicholas, Erica and Kayleigh

“ To the Zinman family, we are so sorry to hear of your loss. LeAnn was one of my favorite band moms at North; she's one of the few people I can think of with whom I could have deep conversations while sitting on those hard football bleachers. “ *Children of LeAnn. I am deeply sorry for your loss. I went to school with your mom and lived in the Kappa house with her. She was smart, funny and a great friend. Even when I hear her name now, I smile and can giggle at her antics and humor. She was instrumental in teaching me how to break into the Kappa kitchen (crawling via a small door) to get some cereal. We were always "starving".*

Peace to you and your family. I know you are wonderful children just by knowing your mom.

Sincerely,

*Dawn Graves Wendel

“ *Dear Abby,*

*Saehan & I were so distressed to hear about your mom's passing. I know she had such a difficult struggle with cancer, and I hope that she has some peace now. I had breast cancer myself back in 1999. I can only imagine the pain that you & your family are going through. I have such vivid memories of birthday parties at your house and school activities; your mom was always so warm, kind and friendly, such a bright light to all of us. You are in our daily thoughts and prayers. May God bless you and give you strength and peace.

“ *Ira, Abby, and Jake, this message is for you. I had an opportunity to meet and get to know LeAnne and enjoyed many conversations we had. She was a woman of God. Her work on earth is done that means you and I still have work to do. I pray for you, Nyaka children pray for you, and all 7,000 grannies pray for you. May her soul rest in peace and may you be comforted knowing she lived a good life and has left God fearing husband and children to continue to make this world a better place.*
