“ Grandma Eads was a tiny, soft spoken lady that loved everyone and everyone loved her. She loved to sing gospel music to family and at church. She raised her children and watched children for many families in Sanders, and was a caregiver for her husband Glovie. Lena lived 70 years in Sanders and there was a street named for her there this year. She will be missed and was loved very much. Grandma lived to be 102 and was active into her late 90's.
