“ I am so sorry to hear about Lena's passing. She was a classmate of mine, we graduated together. Lena was also my neighbor, we spent time together. Our time was mostly spent at her and her parents (and sister Edna). I had plenty of meals at their home, Pauline was a great cook. Everything that Pauline prepared was from scratch, and mostly from their garden. Some times the food was from the pond, Pauline introduced me to cooked turtle. Hearing what it took to bring that to the table was a story in itself. It is extra sad Lena had to suffer ill health for so long. It is also sad to hear of her passing on the eve of our "50th" class reunion.
