“ To The Price Family, Sorry to hear of Leon's passing. I grew up on grimes lane. We played many games and went swimming in the quarries. We went to Hillside School together and really had a great neighborhood to grow up as neighbors. I really remember Vernon Walking by my house on Grimes Lane every day and he would always say hi. He was one of the hardest working men that I have ever known. The Price family was a fine family and I have a lot of fond memories growing up in that neighborhood. Take care and everyone stay safe.
