“ *Sam, Susie and Jim Bob,*

I was saddened to hear about the passing of your Mother. What a wonderful woman she was. I was just thinking of her this week knowing she would be having another birthday. For many years we shared birthday greetings back and forth because our days were a day apart.

Thinking of you all and sending positive thoughts and prayers to get you through this difficult time.

“ *My sweet Aunt Leona always had a smile! I only saw her a few times in my life because we lived in Texas. But when we were together I just remember her as kind and loving.*
