“ I am truly saddened by the loss of my dear Aunt Leona. One of my fond memories was the occasion of her and Uncle Fritz having us at your home in Crawfordsville. Knowing now what it's like to have a bunch of rembunctious kids around the house, that visit must have been a real circus. I think I was only six or seven at the time. That would have made my brother Steve about twelve, Dave about ten and my sister Chris about two. It was also very special that she visited to see me play basketball my senior year in high school. Last, but certainly not least the practice of sending a little Christmas Stocking suitable for hanging on the Christmas Tree as an ornament. Those are a few of my memories. Together my wife Colleen and I send prayers and condolences for you all. God Bless Your Family in this time and always.
