“ Leonard was a great man that I think live a good life. He was my school bus driver for many years, and a good one. I only seen 1 kid get a bloody nose from Leonard's fast break system when the kids were getting out of control. On the last day of school he would take us all to the Dolan store for a candy bar and soda. He would let my sisters and I ride our horses on this land and that was a real treat for us seeing that we lived on Lydy rd. and this was so close to our home. That was over 40 years ago. I will never forget his kindness. Rest in peace Leonard...
