“ Dear Judy, I am so sorry for your loss. It just seems like yesterday when we had so much fun on Lake Monroe and of course our once in a lifetime journey on the rivers to Florida. Such great memories you have and I know they will help you through this difficult time. How sad that I moved and lost touch with you. It is a mistake so many of us make. I am smiling right now thinking about some of our great memories! Leonard was a special person! With fondness,

“ My husband and I were boating friends with Leonard and Judy for many years. Leonard was always a gentleman unless he was playing Euchre. I remember a few times that chairs went flying in the lake over a Euchre game. Not sure it was Leonard though. :) Sincere condolences to Judy and family. He was a great guy.
