“ To Cheryl and family. What a blessing your parents were to my family and I. When your dad married Byron and I and then I had the opportunity to do your mom's hair for so many years. She always encouraged me to hold tight to my faith and that it would get me far knowing that God was guiding me in the right direction. I wish I would have been able to spend more time with her. Now they are together again and you can be sure that they are watching down on you and your family. May God Bless You and your family. Love,
Donna

“ Cheryl and family
What a blessing your parents have been to our family. Your father's preaching and your mother's kind spirit will never be forgotten. Back when you were a teen, I worked with your parents at youth camps and they were fun to be around and were heros to me with their love of God.
They have reached the goal they set out for and now are calling us to follow.
May God's Spirit and Grace surround you and your family.

“ To Cheryl and family. I have been so blessed to have grown up with you and your family. Fond memories of helping do dishes after supper at the Schimpf house, your dad playing the piano and "belting out" his favorite songs, and popping corn with a stick of butter! You are such a positive influence for everyone. I hope that you find peace in knowing that your mom is reunited with your dad and their spirits will be with you always. They were truly wonderful people.

Love,
Susie
