“ Dear Wonderful Laura and loving sisters,

She's finally at peace. I know how loving you all are and how you gathered around your sweet sister to provide comfort, support, some tears, and lots of laughter. She will be missed but her presence will always be felt through the memories all of you built by taking the time to be with her whenever possible. My condolences and especially my love to my buddy Laura. Love Lisa Zorn

“ Carey,

So sorry to hear about Leslie. I know how important she was to you. You guys fought one hell of a battle for so long. Everyone always says 'let me know if I can do anything' but I know what we need to do. Let's get together and get drunk and catch up. I don't get to see you nearly enough. I love you.
