“ To Carol, Rita and all of Letha's family. I am so sorry for your loss. Letha and I met as Freshmen and were friends throughout high school. She was always so nice and personable and had a warm smile. Letha was also a lot of fun. But I was surprised to find her one day (while the room was empty), exercising on the floor of the Biology room! That's such a cute memory I have of her. Although we lost contact after graduation, in later years we enjoyed visiting when we attended the same school reunions. You are all in my thoughts and prayers.
