

Linda Louise Lamirand

March 13, 1945 - June 4, 2026

Linda Clay Lamirand (maiden name Greenwell) was born in Washington, IN on March 13th, 1945 and passed away in Bloomington, IN on June 4th, 2026. She is preceded in death by her parents, Albert and Wilma Greenwell, her granddaughter Katie Elizabeth Farmer, and her daughter, Jill Christine Clay. Linda is survived by her husband, Terry Lamirand, her brother Joe Greenwell, her sister Pat Eimer, her daughters Allison Haskett and Lesley Spatta, her son-in-law Sean Haskett, her grandchildren Lucy Downs, Eli Farmer, Isaiah Farmer, Isabella Sirota, Jozee Staley, Cameron Greenawald, Keaton Greenawald, Carter Greenawald, Ella Haskett, Austin Haskett, Riley Haskett, and great grand children Magnolia and Milo Downs.

Linda was an outstanding sales manager and account executive for WTTS and WGCL in the late 1980s through the 90s. After departing for several years, she returned to their Bloomington offices in 2005 and 2006. She was a kind, thoughtful, and dedicated employee who cared deeply for her clients and colleagues. As a manager, she hired and developed a number of successful broadcast sellers.

Linda also loved her time as house mom for several IU Bloomington sorority and fraternities, especially Alpha Epsilon Pi (AEPi). She served in this role for over ten years and loved supporting students, making sure they felt seen and heard.

Linda was a beloved Nana and loved to celebrate. She made sure her family got to travel to Florida during Spring Break for many years and marked every holiday with hilarious games, most notably when she made everyone go caroling around the neighborhood as a surprise. She laughed through many of life's challenges and always looked fabulous doing it. Linda will always be remembered for her determination, humor, style, and tenacity. We hope she's dancing in heaven alongside her loved ones and snuggling with her Shih Tzus.

A mass in honor of Linda will be held at St. Charles Catholic Church at 12 p.m. on Thursday, June 11th. The family will receive friends one hour prior to the service.

“ Linda was a larger than life figure to all the brothers of AEPI. She played the role of mom, therapist, and babysitter to all of us over our 4 years. But most importantly mom. I always looked at Linda as a mother figure and we kept in touch post graduation. She would always check in on how I was doing, my relationships, and respond to my Instagram stories with questions. We all lost a mother figure. I was truly blessed to have known her. We love you Mom - Ari Levy

“ Mom Linda was an absolute sweetheart to all of her Aepi kids. The concept of a house mom seemed strange at first, and then it didn't after just one conversation with Linda.

14 years later I have fond memories of the calm she brought and her wonderful personality. She cared so much about all of us.

She truly was a mensch, a good person. May her memory be a blessing.

“ Linda was such a light! I worked with her in the early 90's at WTTS/WGCL. So fun and full of life. I know she will be missed dearly by her family and friends. I will always hold a special place in my heart for her.

“ *We are so saddened to hear of Linda's passing. She was a real hoot and even got in on our shenanigans. She loved hearing about our families and learning about our hometowns. Linda will be missed by dozens of alumni who will talk about her for years to come.*

My dad passed away a few weeks ago. He was very close with Anna Gans, his house mom, at Ohio State.

I know this is a very difficult time, but I take comfort in knowing that Linda, Anna, and my dad are swapping embarrassing stories about both of us over Anna's famous banana cream pie!

Sending love and peace to your family,

“ Mom Linda was such a bright light for myself, and all my fellow AEPI brothers. It was always so great to get back from class and have Mom Linda’s smiling face greeting us and making sure we were all doing well. Rest in peace. Thoughts and prayers to the entire family.

“ *Linda will be missed by so many! So sorry this has happened, wish I could be there Thursday to give you all hugs! I'll never forget one of the many times we ran into each other at Target. I was getting a couple injections (which I was stressing over) and she stayed with me telling stories to distract me.* 💜
