“ Marc, we have never met but I was one of the silly high school friends. I am so sorry for your loss. I was and still am very sorry to learn of her passing. We had lots of fun in my Dad's station wagon. Ending up in the pond as she noted in the last year. RIP my old friend. I will always remember you. ❤️

“ Linda, I am so sorry that I wasn't there when you need people the most.” But Someone had to spend time in Florida ... lol Remembering our trip to Florida a few years ago, the fun we had.. Now, Knowing your love for our Powdered Donuts, Every time I eat one, I will think of you and smile. We have spent a lot of time together on weekends these past few years, Laughing, listening to music and just hanging out. I am so glad we got to do those things. You will surely be so missed !! Love you ... RIP my friend !

Marc and family, You were so loved by your mother ... She talked about all of you a lot. I am so sorry for your loss as well as ours.

“ What can I say Marc. I'm so sorry for your mom's passing. I have good memories of growing up in Broadview, living across the street from each other. Time flies by so quickly, it seems such a short time ago. Blessings to you and your family. Judy (Lavender) Boruff.

“ I will miss you dear friend. I cannot believe you are really gone. I will always remember your love of music, Mustangs, diet coke, dancing, cigarettes, late night chats, manicures. I will always remember our last time together and the laughs we had. It was a gift to me to have shared all of the wonderful adventures we had as crazy teenagers and I will treasure these memories forever. RIP Sweetie. Love Anna
