“ *Mark and Robbie,*

We were so sorry to read about your mom's passing. We wanted to send our condolences and share the main memory we have of her as a lovely, gracious lady. She was so kind and friendly and invited us for numerous meals when we first became Unionville Arrows. As a young and newly married, she epitomized to me what a wife and mother should be. We are sure that you will miss her, and our prayers are that your friends, your faith and your family will help you through these times. Cherish all the wonderful memories.

“ Mark and Rob,

I was very sorry to hear of Aunt Lois' passing.

While I would like to be there with you, the impending Christmas Holiday with my kids arriving back from school makes travel impractical.

Please share my condolences with our uncles, Bob and Jim. My thoughts are with you all at this time.
