“ Sometimes words aren't enough to express how we feel when we lose a loved one. The pain is unexplainable, the hurt undeniable, but God gives strength in our deep, darkest hour when we lean on Him. He is our strength. Those of us that's been there know what you're feeling and we sympathize with you. We pray for your family as you go through this together.

*Lorine was a wonderful, loving person to be around . You couldn't ask for a better sister or sister-in-law. We will miss her smiles and her laughter, but our memories of her will always be with us. Lords Will, we plan on being there with you all on Saturday.*
