“ I have wonderful memories of Lorraine Siruckek that date back to my Indiana University days of the late 60's and early 70's. The annual end of year picnic/football game at their farm was a wonderful tradition. We would play football (with Jerry, of course) in the pasture (side-stepping cow pies) and then enjoy a scrumptious meal that Lorraine would prepare. She was always so supportive of Jerry and all his students! When I returned to Bloomington for a recital several years ago, Lorraine was there to cheer me on. She was a wonderful lady!!!
