“ *Lucky, Nick, Ronan & Family,*
We're so very sorry for your loss. Knowing Lu was a privilege & being neighbors was an extra blessing. If anyone was to have a fast track to Heaven, it's Lu. May the wonderful memories help sustain you during this difficult time & may God wrap all of you in His comforting arms.

Being in the neighborhood with Lu was wonderful, she was so friendly and caring to everyone. We were so happy to have Lu and her sister Vi join our family for thanksgiving one year. They both were so happy to talk and share stories with all the family. Prayers to her sister and her family. I'm sure this will be a hard time for you, just remember she is not in pain and she will be looking down on you. She is gone but will never be forgotten.
