

Luetta "Lu" Arduš (Fuhrman) Mercier

June 30, 1935 - July 3, 2024

Luetta "Lu" Arduš (Fuhrman) Mercier died peacefully on July 3, 2024 at IU Health Hospice House in Bloomington. She was born in Dubois County near Jasper, IN on June 30, 1935. She grew up on a farm in a German-speaking family of seven and started her education in a one-room school. Her Dubois High School home economics teacher influenced her to go to college and she was the first in her family to do so. She graduated from Indiana State Teachers College (Indiana State University) in 1957 and was the winner of the Home Economics honorary award. During her senior year, she was married on April 28, 1957 to the love of her life, her husband George, at St. Paul Lutheran Church in Haysville IN. Upon graduation she joined her husband in Anchorage, Alaska where she taught her first year at Anchorage High School. Statehood was granted to Alaska in 1958 during their stay.

When George returned to Indiana University to complete his physics degree, Lu began teaching in the area and Bloomington became their home. Here they raised two children, Tim and Michelle, while Lu continued her career teaching middle school and high school. She was a dedicated and compassionate educator, and a lifelong learner. She earned Masters and Post-Masters degrees, along with dual licenses in Family and Consumer Science and Chemistry-Physical Science. She also taught and published for IU Continued Studies high school correspondence courses. She taught for 30 years, retiring in 1997, joyfully touching the lives of thousands of young

people. The opportunities Lu had to engage in professional experiences and organizations were endless and she delighted in these activities. She was a member of many professional and philanthropic organizations, including Zeta Tau Alpha sorority, Delta Kappa Gamma, the Indiana Retired Teachers Association, Monroe County Teachers Association, and the Family and Consumer Sciences Association.

Lu found her spiritual home at Faith Lutheran Church in Bloomington. As a founding and devoted charter member, Lu was actively involved as a Sunday School teacher and numerous church activities and committees. Lu lived an active and vibrant life: she enjoyed travelling with her family and friends, exploring all over the globe and all 50 states. She learned to snow ski in her forties and delighted in many adventures while cruising. Lu is remembered for her talents with culinary and baking skills. She was an avid gardener, with a special knack for growing and sharing a wide range of flowers. Together with George, she volunteered her time and talents to many organizations in the Bloomington community, as a way to acknowledge that all people should be treated with dignity and respect. She shared all of her special gifts generously and graciously, always with a smile on her face and a kind word for each friend she made.

Lu is survived by her beloved husband of 67 years, George; her daughter Michelle Mercier-De Shon and son-in-law Freddy De Shon; many cousins, nieces and nephews. She is preceded in death by her son Tim, her sisters Lavella (Paul) Singer and Ruth (George) Elkins, her brothers Emil (Ellen) Fuhrman and Luther Fuhrman.

A memorial service will be held at 11:00am Saturday, September 7, 2024 at the Faith Lutheran Church 2200 S High St, Bloomington, Indiana. with Rev. Eric Edwards officiating.

In lieu of flowers, please consider a donation to Faith Lutheran Church in Bloomington.

Allen Funeral Home and Crematory have been entrusted with arrangements. Online condolences, photos and memories may be shared with family and friends at www.allencares.com

“ George and family, I am sad for you after reading about Lu's passing. I've always been fond of you both as being nice, friendly, and such wonderful people. I remember when my daughter and I first met you two in Hilton Head then later as good clients. (I didn't know Luetta was born near Jasper I am from Washington). She will be missed. I am praying for you all during this time. Take care George.

“ I was a Family and Consumer Science teacher at Edgewood Junior High School in 1990 when I met Lu at FACS meetings. She was inviting and friendly to a newbie in the group and became a mentor for years. We rode together to state meetings and had many laughs. My husband and I would see Lu and George at restaurants, usually Sundays after church! What a blessing Lu was to this teacher!
